COMPILATION OF HYDROLOGIC DATA FOR THE EDWARDS AQUIFER, SAN ANTONIO AREA, TEXAS, 1988, WITH 1934-88 SUMMARY

Bulletin 48
Edwards Underground Water District
San Antonio, Texas

PLATES

Prepared by the U.S. Geological Survey in cooperation with the Edwards Underground Water District
Plate 1.—Location of the Edwards aquifer and physiographic regions in the San Antonio region.
Plate 2.—Location of drainage basins and ungaged areas.
Plate 3.—Location of data-collection sites for streamflow, precipitation, and observation wells, 1988.
Plate 5—Location of water-quality data—collection sites for wells, springs, and streams sampled within the period 1972-88.
Plate 4.--Location of water-quality data-collection sites for wells, springs, and streams sampled in 1988.
Plate 6 -- Location of water-quality data-collection sites for wells, springs, and streams in the vicinity of San Antonio sampled within the period 1972–88.
